Disclaimer

Astrology is a science which deals in the effects of planets on living beings. To predict its effects, one has to calculate the position of planets & their strengths. Calculations in this horoscope are very accurate and true apparent longitudes have been used for all the planets. The Ayanamsa adopted is Chitrapaksha Ayanamsa, unless & until other ayanamsa is asked for.

Computer Horoscopes are based mainly on Parasara system. However, there is a fine blend of Tajak system, Gemini system, K.P. system, Horary (Prasna Marg) system & Western system in the astrological calculations. Predictions are based on various ancient texts like Brihat Parasara Hora, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat and finally on own experiences to the extent of fructification of astrological rules. However, using astrology we can only indicate the future, it is only Brahma (the creator of universe) who can exactly tell what will happen.

This horoscope is based on Date, Time and Place of birth provided by the native and we do not stand any responsibility for the accuracy of this data. Astrological calculations & predictions are all based on this basic input given by the native.

Predictions given in the horoscope are indicative tendencies and likelihood and not strict guidelines for action by native. User is suggested to treat these predictions & suggestion with due care and caution. The horoscope and the information given in the following pages shall not be made a cause of legal dispute for any actual or consequential loss to the native. Family Life, Marriage & Business Partner

With the Cancer sign rising in the seventh house at the time of your birth, you will be an extremely cautious individual who will not take a rash decision on any issue, be it in the realm of romance or in the pursuit of your profession. You will take a pretty long time in choosing your life partner. But after you select your spouse, you will spare no effort to provide all comforts to your family.

But a snag is you are not too romantic and consequently you don't display your emotions openly, even though you are fully devoted to your family. In addition, you believe in being the boss at home and so don't provide much freedom to others. Only when you want something out of your spouse will you adopt a less rigid posture.

To make sure you don't face problems at home, you it is better to pick your life partner from one belonging to the Cancer, Scorpio or Pisces signs. This will go a long way in providing you with a balanced home.

Whether you opt for service or business, the professions that blend with your temperament are those connected with irrigation, banking, education and contracts.

A good marriage to a wise and wealthy person appears to be in store for you. This is because of the location of Rahu in Cancer in the seventh house. There are very bright chances of your enjoying matrimonial bliss, on account of the good qualities and temperament of your spouse who will provide you with every physical and romantic comfort. On your part, you will have to reciprocate positively so that your domestic atmosphere will be very pleasant. You can do so, as by nature you get on well with the opposite sex. It is by your association with the members of the other gender that you will be able to increase your assets. So, in the event of your venturing into business, do so in partnership with them.
